

SEARCH WARRANTS

SEARCH WARRANTS

The class will cover the following topics:

- Warrants Basics - Search Warrant Affidavits - DWI Warrants
- Vehicle Warrants - Digital Evidence Warrants (Cell Phones) - Remotely Stored Electronic Data Warrants
- Real-Time Data Warrants - Contraband Subject to Forfeiture (People)
- Executing Search Warrants - Arrest Warrants & Affidavits - Defending Warrants in Court

This class is designed to walk officers through the process of writing a search warrant, search warrant affidavit and a search warrant return and covers the execution of search warrants and the problems associated with no-knock warrants, as well as, the proper procedure to not only write and execute warrants, but the ability to defend an executed search warrant in the court system. Attendee will be provided with a copy of the Texas District & County Attorney's Association Warrants Manual. This manual includes a flash drive with sample warrants for most types of warrants an officer will encounter.
