ECONOMIC DEVELOPMENT SUMMARY

Cities, Counties and Special Purpose Districts *(continued)*

Narrative: Summarize in the space provided your entity's recent efforts to increase transparency in the area of Economic Development. Be sure to:

- 1) provide explanations for any terminology that appears in the summary,
- 2) describe any benchmarks, standards or best practices your entity uses to gauge its progress in this area, and
- 3) detail any historical analysis your entity performs to track its efforts to improve transparency in this area.

Transparency promotes accountability and provides information for taxpayers about what their local college is doing. South Texas College District ("the District") will disclose information, consistent with law and policy, in forms that the public can readily find and use.

The District has made public on our website meaningful financial data and reports to help taxpayers better understand trends and policies. The District has made available the tax abatement agreements and schedules. The District has made the website searchable for the information.

Note: To complete your application, see the specific criteria page for the Economic Development Transparency Star which details visualizations, documents, downloadable data and other required information.
