Host Contact: Robert Vela Jr. Telephone: (956) 872-4000
E-mail rvela_3613@southtexascollege.edu

Duration: 2 Days (16 Hours) 8:30-AM – 5 PM Tuition: \$575

Registration: Register on-line at <https://sigsaueracademy.com/courses/sig-sauer-m400-m16-m4-ar15-lemil> select LOCATION, or contact the SIG SAUER Academy Training Coordinator via phone at **603-610-3411**.

Course Goal:

The program content focuses on the mechanical functioning, disassembly/reassembly, maintenance, troubleshooting, and field repair of different variants of the M16/M4/AR15 direct gas impingement platform.

This is a hands-on program that teaches and guides each participant through all armorer operations, step by step with the instructor. Active participation coupled with question and answer periods provide a supportive learning environment for maximum retention of the material.

The course is also well suited for the law enforcement armorers to design their agency's own maintenance and inspection program. A three (3) year certification is issued upon successful course completion.

Brief Course Overview of subjects to be covered:

- Safety when handling the SIG SAUER M400/AR-15 Rifle
- An examination of the M400/AR15 weapon system
- Disassembly and assembly procedures: lower receiver, upper receiver
- Inspection procedures
- Operational function checks
- Cycle of Operation
- Sights: installation, adjustment
